**Filing Office:** County Clerk

**Who must file:** A committee formed before any primary, general or special election is required to file a statement of receipts and expenditures.

**What must be filed:** According to WS 22-25-106(b)(i), a committee shall file an itemized statement of receipts at least seven (7) days before the election current to any day from the eighth day up to the fourteenth day before the election. The committee shall also file a statement of receipts and expenditures within ten (10) days after a primary, general or special election. A committee formed after an election to defray campaign expenses incurred during a previous election, and any ongoing committee, shall file an itemized statement of receipts and expenditures on December 31 of each odd-numbered year and shall continue to make the reports until the committee terminates.

**Reporting requirements:** The general rule is that a political action committee should note and keep track of all campaign contributions no matter how small.
